Personality

Biography

California native Elaina D. Smith has become one of the strongest presences in Country Radio. While working at Entertainment Tonight and The Insider in Los Angeles, Elaina found her true passion when she got an opportunity to work with a popular morning show in San Diego. She caught the bug and never looked back. Since then, Elaina has hosted shows in San Diego, Florida, and is now on over 150 stations here in the states and internationally on NIGHTS with Elaina.

Though her radio career has yet to hit the decade mark, she has already interviewed more artists and performers than most broadcasters do in their entire career, and she's often caught hosting huge country music events around the nation. Also, if there is a Country Music red carpet, she's on it. Elaina focuses on bringing her listeners as close as possible to Nashville and their favorite stars.

In 2019, she launched a brand-new syndicated weekend show on the Westwood One Network, "With Elaina". With the genre becoming more mainstream, Elaina chats with the biggest stars in Country Music about their life, pop culture, nostalgia, and so much more. She also highlights her own life and gives real perspective on whatever is happening in the world. Some of her celebrity co-hosts have included Garth Brooks, Thomas Rhett, and Keith Urban.
