ELIOTT

Elliott connects with listeners through his casual relatability and unrivaled passion for the hottest hit music. As a weeknight destination hang, Elliott engages listeners on-air and through social media discussing relationships, the latest in pop culture, along with real-life issues.

The cool vibe of the show provides features like What The Hel-iott which looks at some of the craziest stories in the news. A fan favorite is The Cookout, where the hottest artists join Elliott in a comfortable informal setting to talk about music and what's happening in their lives.
