RICK TAYLOR
(6a-10a eastern)

I've known since I was about 10-years-old I wanted to be a disc jockey. Well, kind of. Originally I wanted to be a country singer, but that seemed a little out of reach, and if I couldn't sing on the radio, I at least wanted to talk on it. It didn't hurt that there was a radio station directly across the highway from where I was raised. I've been on the radio somewhere ever since, working in Shreveport, LA, Texarkana, AR, Dallas, TX, and on stations coast-to-coast. I'm happily single and my two boys are grown and on their own, so when I have time I love to drift fish or take my Bayliner out for a spin when the weather is nice. I also love spending time at home with my Min Pin, Puggle and Maine Coon. I am thrilled to have the opportunity to still be doing what I have always loved to do! I hope you enjoy the new morning show and be sure to let us know what you think about it, or if you have any suggestions reach out to us by contacting the radio station.

KIM STEWART
(10a-3p eastern)

Kim Stewart has a strong Country background. She most recently worked as the midday jock on KSCS/Dallas. She previously worked at KPLX/The Wolf in Dallas, did PM Drive at KVIL in Dallas and mornings at Majic in Austin. Before all of that, she did mornings nationally at Radio Disney and was also the midday talent for Westwood One's 24/7 Hot AC format. Kim brings lots of energy to her show and really knows how to connect with listeners.

MAC

(3p-8p eastern)

Growing up in small Indiana town, Mac grew up on country music. From Buck Owens (thanks dad) to Morgan Wallen, he has a passion for the music he plays. His love for the genre brought him to his local country radio station when he was a senior in high school. Since then, he and his wife have travelled all over before making a home in Tennessee, with their two kids and two dogs. Mac loves baseball, college football Saturdays, and travelling.

TYLER REESE

(8p-1a eastern)

Tyler Reese grew up in a small town called Monticello, Wisconsin. After playing three sports in high school, he went on to attend the University of Wisconsin, graduating in Journalism and Broadcasting. He loves and has worked in radio since the age of 18, starting on his birthday, the first day he was old enough to be on the air. Radio has led him through Charlotte, NC, Charleston, SC and Nashville, TN. His lovely wife, Kimmie, works in the record business on Music Row and they are both dog lovers with a 7-year-old Aussie/Lab mix rescue named Ellie and 4-year-old German Shepherd mix, Layla. You can usually find him grilling or cooking, exploring the outdoors, following his favorite sports teams... and he admits that he MAY have an Apple TV and Netflix problem.
